Re: USA v. Christopher Wallace
Criminal No. 15-56
Register No. 35625-068

Dear Judge Hornak:

In response to your query in the Notice, docket no. 99, I would be grateful if you do contact the Bureau of Prisons on Mr. Wallace's behalf. I spoke with him by phone today and he said that the prison doctor told him on Monday of this week that he has no medical documentation about Mr. Wallace. I do not know how that could be nor how to solve the problem. He also said that he has not been given any of the specific things prescribed by Dr. Luketich, which is not surprising as their doctor is unaware of the requirements.

Therefore, I would very much appreciate it if you would communicate directly with the Bureau of Prisons. As suggestions, either a call to the Warden's office asking to whom you should send your written judicial recommendations regarding medical treatment for Mr. Wallace and/or a communication (call or letter) from you to the Warden asking whether the concerns in my letter (docket no. 98) have been addressed.

Very truly yours,

W. Penn Hackney
